

IMPACT CT™ GLOVE

Form-fitting glove with ergonomic anti-vibration padding and maximum finger dexterity.

KEY FEATURES

- Supple, breathable, durable Clarino® synthetic leather palm provides firm grip
- Padded palm protects from impact and vibration
- Tacky index finger and thumb for extra grip
- Two-way stretch Spandex padded top with conductive anti-static fiber provides snug fit
- Neoprene® padded knuckles add extra flexibility
- Completely machine washable
- Lightweight and breathable – ideal for all climates
- Protects from abuse such as heat, cold, abrasion and impact
- Concealed interior seam stitching enhances durability – especially around finger tips

APPLICATIONS

- Shooting/Handling weapons – even weapons with high impact to hands
- Mechanics: using impact tools for prolonged time (motor pool, flightline, etc.)
- Light-weight feel – comfortable in most climates
- Any other duties with vibrational impact: driving rough vehicles, ATVs, motorcycles
- Any task that requires superior hand and finger dexterity

Dimensions 11 in x 5 in x 1.5 in (279 mm x 127 mm x 38 mm)

SIZING CHART

Place your hand so that your index finger is along the line, and the crook of your thumb meets the bottom of the line. Your proper size is measured knuckle to knuckle.

* All sizing gauges have limitations. For the best fit, try on a pair of our gloves.
